

A dog's  
tail  
is not  
just for wagging!

## Tales of the Natural Tail Dog Photo Contest

A dog's tail can show every emotion from happiness to fear.

It can send a signal to you or to other dogs.

It's part of every dog's essential nature yet uniquely their own.

**Showcase the natural beauty and special qualities of your dog's tail. Submit a photo and caption and tell us what your dog's tail has to say!**

- Photos must be of a dog in your care (foster or owned)
- Tails must be natural (not docked or cut)
- Deadline for entries is July 31, 2010

**Submit photos and captions at:
